Sukrin:1 is a natural product with no additives, made from the polyol erythritol. Erythritol occurs naturally in pears, melons and mushrooms. Sukrin is produced by a natural fermentation process. To make Sukrin:1 as sweet as sugar, a small amount of steviol glycosides is added to the erythritol.

Available in 250 g zip bag, 500 g zip bag, carton of 12
Box of 40 x 5 g Sukrin:1 sticks; carton of 36
Carton of 250 x 5 g Sukrin:1 sticks
